

MINUTES OF THE PARISH COUNCIL MEETING

Tuesday 1st March 2022, Village Hall 7.30pm

Present: Parish Councillors Alan Tyler (Chairman), Simon Barker, Mark Gifford
Hazel Metz, Alison Mosson. Clerk Susan Turner: Members of the public 5

1 WELCOME & APOLOGIES

Apologies County Councillor Juliet Henderson, PCSO Andy Jones

2 REPORTS TO MEETING

Report received from Cllr Henderson:

20mph 'The HCC Economy, Transport and Environment (ETE) select committee working group is examining a 20mph county wide speed limit for villages and residential areas. They will report back later this year. The chair of the working Group is Cllr Stephen Philpott. Should residents and supporters of 20mph like to contact him his email is Stephen.Philpott@hants.gov.uk '

AGREED Unanimously that the proposed 20mph areas and the policing of them will put extra pressure on the Police when they don't have sufficient resources.

3 PUBLIC SESSION

3.1 Reference planning application 22/00220/HSE Tamburello, Farleigh Road. 'Erection of open store with external staircase to study/gym at first floor.' A neighbouring resident presented a detailed critique and scaled drawing of the proposed development illustrating its comparative bulk and local impact. See also 7.1.ii.

4 MINUTES OF PREVIOUS MEETING of 4th January; also extraordinary PC meeting of 3rd February; both agreed and signed by Chairman.

7 PLANNING

7.1 Parish Planning Applications – Planning update at **APPENDIX II**

i. New applications for consideration

22/00466/FUL (Validated 21 Feb 2022) 11 Woods Lane. Development of 3no. detached dwellings with associated access and landscaping.

NOTED This is a well thought out and well presented scheme, thorough in detail. It proposes to be well screened, considers neighbours, and very few people will be affected by it. However new development will – unavoidably – add to the cumulative increase and impact of traffic congestion and hazard on Woods Lane. Woods Lane is unsuited in width and nature to current (and almost any) traffic levels. The Parish Council recognises that recent new development and associated urbanisation has continued to be approved regardless – this proposal is supported by a traffic consultant's report... *continued overleaf*

For signature (p1 of 4)

	<u>22/00466/FUL</u> (<i>continued</i>)
AGREED	The Parish Council is opposed on the grounds of cumulative increase of traffic congestion and hazard to pedestrians on Woods Lane. It was noted that the STaNHd traffic report – including for Woods Lane – is in the public domain.
	<u>22/00220/HSE</u> (Validated 03 Feb 2022) Tamburello, Farleigh Road. Erection of open store with external staircase to study/gym at first floor.
AGREED	'The Parish Council considers this an unsuitable proposal for this location. It will, by means of its bulk and location, block views of the surrounding countryside and have an overbearing effect on the character and appearance of the area – and of heritage assets including the Cliddesden Conservation Area, and the setting of Grade II listed dwellings.'
	ii. Appeal decision APP/H1705/W/21/ <u>3279572</u> (Dismissed 8th Feb 2022); 20/03197/PIP (Refused 12th March (DC 10th March)). Land Adjacent 14 Hackwood Lane. Permission in Principle for erection of 2 no. dwellings.
NOTED	The two retrospective applications for change of use and domestic structure associated with this location are scheduled for Development Control meeting of 6th April.
	7.2 Neighbourhood Plan
NOTED	REGULATION 14 CONSULTATION submitted to residents, businesses and statutory consultees. The consultation period is from 15th February to 30th March (6 weeks). Comments from the previous Issues & Options Consultation have been considered and incorporated into this Draft Plan. Seeking however a strong level of feedback, both to endorse the Plan and also seek out and identify any causes for concern – some comments are very useful. All issues raised will be considered – and addressed / incorporated or answered – so there is likely still to be several months' work. Once this is completed, the Plan will be ready for Referendum.
	7.3 Local Plan Update Progress has been delayed – due to uncertainty over national policy and also to change of Leader. Following Cllr Rhatigan's resignation, Simon Bound is now Leader (confirmed at Full Council meeting of 28th February) with Cllr John Izett (Evingar and Cabinet Member for Finance and Property) as Deputy. See APPENDIX III for a list of all Cabinet members.
	It was reported that Full Council have said that BDBC is looking for Basingstoke to be a market town rather than the 'Capital of the South' and will fight the allocated housing number as strongly as it can. Mentioning that Basingstoke over the years has built too many houses; and also has essential need for Open Countryside for recreational use.
	The present LPU schedule is to consider housing in June, with Reg 18 Consultation for publication in the Autumn. If Upper Swallick continues not to be included there is little STaNHd will do, work at the moment continues behind the scenes.
	7.4 STaNHd banners to be to be assessed and rationalised – some to come down, the best to be refurbished, there are some new ones left for strategic sites around the Village. Not intending for the time being to have more made.
8	HIGHWAYS & VILLAGE MAINTENANCE
8.1	Pond and drainage update The contractors were intending to finish the pond works having left approximately eight feet untouched around the edge – APPENDIX IV – citing concerns over puncturing the liner. They agreed to return with a standard digger to remove more but the water level will need to be lower so this might take some time. HCC contractors will then make good including rebuilding the bank.
8.2	Lengthsman visit of 15th February Tasks – the Old School House hedge cut back to some extent where encroaching into the road, the LM considered it couldn't be taken back further because of cutting into the wood, plus they didn't have equipment to reach the full height. The bus shelter was swept out and some encroaching vegetation removed.
ACTION	Clerk to write to the Old School House (owners at c/o Old School House) requesting they keep the hedge cut back to the road edge.

8.3 Village entrance signage

AGREED Amended signage scheme (new signage only, not including 'gates') as circulated by HCC 'Safer Roads' – at a quoted cost of £2,320.20 – as follows:
Four new signs entering the Village – on left hand side at the 30mph signs on Farleigh Road (Southlea) and Woods Land (locations 1&2), on the right hand side on Hackwood Lane approaching the Village Hall (location 4); replacing the sign on Farleigh Road by Manor farm (location 3). (Also adding a 'pedestrians in road' warning sign between the Village Hall and Station Road (location 5)). **APPENDIX V**

AGREED Approval of new Roe Deer logo as crafted by David Brown.

9 ROAD NAME SIGNS

NOTED Eleven road signs need replacing in the Village. Approval received from BDBC for the Parish Council to proceed as it wishes, so long as the Parish provides the funding and uses the BDBC approved contractors (Signways). The Parish Council can however submit its own design and logo to Signways.

10 BIODIVERSITY / CLIMATE / COMMUNITY

10.1 BDBC Biodiversity Improvement Zones (BIZ) Hatch Warren & Beggarwood 'Biodiversity Improvement Zone' (BIZ) was designated a pilot in 2020 – to improve biodiversity along verges and open spaces. Mark Ruffell has discussed extending this pilot to Cliddesden. A meeting is arranged with HBIC and BDBC Biodiversity officers.

10.2 Greening campaign

The Greening Campaign requires the support of the Parish Council to sign up to it – but is for the Community to lead on and engage with. Expert advice on rewilding, retrofit and community wellbeing is funded by Hampshire County Council.

AGREED to sign up to the Greening Campaign and present to the Parish Assembly.

10.3 Jubilee Copse – Queen's green Canopy

The Farleigh Wallop Estate has designated a corner of the field close to the M3 **APPENDIX VI** to plant 576 trees (one for each Cliddesden resident). A mixture of native saplings including Oak and Beech have been planted by local volunteers, Lord Lymington and his estate manager.

AGREED The Parish Council supports the tree planting and the Jubilee Copse.

Lord Lymington has also proposed a permissive footpath – leading from Woods Lane via the Jubilee Copse – and potentially to Southlea.

10.4 Village Hall Energy Efficiency HCC Parish & Town Council and Community grant

Email of 14th February from the Village Hall Committee:

'The Hall is currently looking at a number of initiatives relating to improving the energy efficiency and reducing its carbon footprint and is applying for a HCC P&TC Grant to cover some or all of the costs. The key initiatives are:

- Solar Panels with Battery Store to reduce energy draw from the grid
- Replacement doors to reduce significant drafts.

'As the Hall is owned by the Parish Council, HCC are asking for a letter of support from the Parish Council, and permission for any works, to go alongside our grant application. Also, as owners, HCC would like clarification from the Parish Council that they are not contributing financially and the reasons for this.'

AGREED Letter to be supplied by Clerk to included that:

'In its capacity as Custodian Trustee for the Village Hall Committee (an unincorporated association) the Parish Council agreed unanimously in support of the application process and associated works.

'The Custodian does not manage the Trust property. The Village Hall Committee operates as a self-funding entity and looks to fund capital projects via grants and funds ring-fenced for these projects. The Parish Council does not have a budget for Village Hall expenditure and holds no unallocated reserves. As such the Parish Council does not have a role in funding this project.'

For signature (p3 of 4)

10.5 Community Resilience

PROPOSAL – To consider purchasing a generator for the Village Hall. Given the recent experience of the storms (Eunice then Franklin) and several days of power cuts, a generator for the Village Hall would provide a 'community power hub' – hot food, warm building, lighting, opportunity to charge phones and laptops.

Discussion

- SSE will provide and deliver to anyone of pension age – a small generator to home – if the power off more than 24 hours – but only sufficient to boil a kettle.
- A Village Hall generator would need to be large enough to run kitchen, heating, lighting etc. New wiring needed to switch the power supply – separate circuitry as for solar panels – to a point where generator can plug in outside the building.
- Will be a large outlay, requires frequent maintenance, maybe hardly ever used.
- Could a feasible option be having the wiring put in place, then hiring a generator when needed? More info needed on various costs.
- During the storms, the Village Hall continued with power and classes continued, the hall wasn't available then to the village.

AGREED The Parish Council will further consider, if the proposal has Community and Village Hall support. To seek views of the Village Hall Committee and Parish Assembly.

11. FURTHER REPORTS/UPDATES

11.1 Local Policing – February report from PCSO Andy Jones **APPENDIX VII**

11.2 Neighbourhood Watch

Suspicious activity report of 26th February:

'At approximately 1pm today a silver Ford Transit was seen taking an old radiator from the back of a property on Southlea. The radiator had been left behind other items so the person must have had a time for a good look around.

'Please remain vigilant and report anything suspicious to the police, either via 101 or <https://www.hampshire.police.uk/ro/report/ocr/af/how-to-report-a-crime/> '

11.3 Hants Police and Crime Commissioner meeting

New date: Monday 25 April, 6pm, Cliddesden Village Hall.

11.4 Election Thursday 5th May – Mark Ruffell will not be standing again for election so we will be losing our local Ward Councillor.

Agreed if possible to hold a public meeting in Cliddesden to invite all candidates to explain their position on issues relating to this area – in particular what they feel about Upper Swallick and protection of countryside. Clerk to contact all candidates.

Question raised whether there will be a leaving event for Cllr Ruffell.

11.5 Newsletter – Thanks to Christine Stanbury for joining the team of Editors.

12. MEETINGS 2022

APPENDIX VI JUBILEE COPSE LOCATION

APPENDIX VII – POLICE UPDATE FROM PCSO ANDY JONES of 16th February

Officers are investigating a number of reports of thefts from motor vehicles and have arrested a man.

Between Wednesday, 26 January and Wednesday 2 February, a number of vehicles were broken into in areas between Burghclere and Beacon Hill. Various items including number plates, Apple AirPods, handbags and clothing were stolen.

On Saturday, 5 February, officers arrested a 47-year-old man from Havant on suspicion of the following offences:

- Theft from a motor vehicle in Whitchurch between Wednesday 26, January and Wednesday, 2 February
- Theft from a motor vehicle in Micheldever, Wed 26 January
- Theft from a motor vehicle in East Stratton, Thur 27 January
- Theft from a motor vehicle in Dummer on Friday 28 January
- Three x theft from a motor vehicle at Beacon Hill on Saturday, 29 January

Many other theft from vehicles that have occurred in the Upon Grey & Candovers Area – not to mention two other counties – are also being linked to the individual in question. As of the 15th February it was around 26 offences (but still potentially increasing) which are to be put before the suspect. He has been questioned by officers and released under investigation while enquiries continue.

Information that we receive from the community is vital and informs where we put our resources and take action against any illegal activity.

We would like to take this opportunity to remind motorists to make sure you remove valuables from your vehicle and lock it. Make sure to physically check that doors and window are locked, especially if you have used the remote to lock the vehicle, then look inside again to make sure you've not left anything.

Further information and advice on how to keep your vehicle secure can be found on our website: <https://www.hampshire.police.uk/cp/crime-prevention/theft-from-a-vehicle/vehicle-safe-and-sound/>
